

Truancy Prevention

Scholars are considered truant when they are out of class or school without an official excuse. Parents will be notified by the school of all truanancies. Repeated truanancies may result in disciplinary action by the Capstone administration. According to Utah Code 53A-13-101(3)(a), If a scholar is truant more than 5 days, truancy notices may be issued to parents.

See Utah Code R277-607
